

annual meeting, p. 3

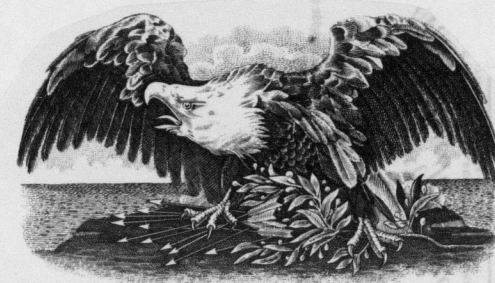

Around 9:30 P.M. many of the membership had taken their leave. SRP and Jackie and Jean did the dishes—SRP washed and J & J dried. Very efficient. Jean's beautiful China and silver were all hauled out for the occasion. Many of the pieces of China and silver that Jean has (and which we used) are mint condition museum pieces from the late 18th and 19th centuries. Dazzling! Hank & I decided that Ken & Jean should have a dozen long-stem red roses for the soiree and we had them delivered during the afternoon on the 12th. Ken and Jean were very pleased and warmly thanked me for the flowers, which Hank ordered from Tony Mikloich's Cavanaugh Flower Shop in Simpson.

Following the meeting, EAG "held court" in the Colville dining room. Everyone came by and greeted her. She was radiant and had a wonderful time. Such pleasure it gave me to see her having such a good time.

Ken and Jean's house, of course, was beautifully decorated for Christmas. Jean has superlative taste and their house is a veritable showplace—embellished by about 50 of Carbondale's most distinguished citizens, the house was unforgettable.

Two years in a row we have had the "Christmas Dinner" at Ken & Jean's. Very nice. Will it be there again next year? Oh yes.

Towards the end of the evening, Jackie Kiefer Warrington organized a "Happy Birthday" sing along, if you please, for SRP & DWP. We blushed and smiled and thanked the group for the birthday tribute.
